

## **81 SQUADRON SCRAPBOOK**

We are pleased to announce that the 81 Squadron Scrapbook/History is now available.

As the title suggests it is, in our opinion, a comprehensive Scrapbook/ History of the Squadron, on which,we, or our family members served.

As the title implies, it is a collection of personal stories,running to 160 pages of A4, told in some cases by the participants, while other tales are drawn from newspaper cuttings, and include numerous photographs covering many years. It has been compiled, and edited by Alun (Taff) Williams, assisted by Alec Audley, both served on 81 Squadron between 1957 and 1960.

Copies are available from the 81 Squadron Association Secretary Geoff Saunders.

Please make payment of £15 plus £2, P & P, UK only, (Overseas postage on application),to -  
81 Squadron Association.

The compilers are interested in hearing from other ex 81 members, or their families to make the Scrapbook/History even more comprehensive.
